CHANGE... and CONSISTENCY

CHANGE: Wow, how bout that WORD! Seems like we've heard "change" referred to over and over and over from every possible perspective. Whether it can be affiliated with us personally, politically or in conjunction with our professional lives we can't escape its' influence. Like you and others in this economic downturn we've had our share of changes and continue to ready ourselves for the future as we hold on in the present. That said I'd like to use this remaining space with reference to an alternative word starting with "C".

CONSISTENCY: Which we so proudly exemplify on the right of this page and in our *Profile*. **Matt Gentner** has been with us for **Twenty-Five Years!** He is our **Shipping Supervisor** and typifies the most important consistency we have here at Galehouse. Our customers in most cases are buying from the same salesman, talking to the same shipping clerks or office personnel while seeing the same drivers and yard guys routinely. We average 15 years service and *won't change* what's important! Thanks for your time, **Fred**

Your children need your presence more than your presents. ____ J. L. Jackson
