**Featured Builder of the Month
 Jon Kipfer Construction**

Jon has been in business for over 25 years! We are proud to say that he has been our customer for the entire time. Jon started as a framer and now does everything from homes and additions to full commercial projects. Although he is based out of Rittman, he has been spending his time recently in renovations in downtown Orrville. We want to thank Jon for all of his business and remind him that everyone here enjoys working with him.

~Cabinet Corner~

Introducing The **Homecrest Cabinet** line. We now offer **Homecrest Cabinets** for the value minded customer. This will fill the void between our Kitchen Kompact and Medallion cabinet lines. The standard construction Homecrest cabinet can be upgraded with features such as plywood ends, all plywood construction and soft touch dovetail drawer guides. Ask your sales person for more details or visit

**FEATURED
PRODUCT**
Of the Month

AZEK Vast Pavers are the newest way to pave! Patios, walkways, driveways, decks, commercial sites are just the start. These bricks are also made from 95% recycled material! They use a grid system which reduces work time and takes the hassle out of doing the job. **Vast Pavers** are much lighter but with a more durable exterior that resists stains and scratches. After using this product, you will never want to use conventional paver bricks again!
